MESSAGE FROM LAY DIRECTOR, Orié Sanchez

February 2019

Happy Valentine's Day to the Diocese of Austin English, Spanish,, and Vietnamese Cursillo Communities.

This month I would like to speak to you about **"What Is A Cursillo "School of Leaders?" (short version)**

The School of Leaders is not a school in the academic sense. Instead, it is a school of a gathering of Cursillo leaders. It helps these leaders to **"discover, accept, and grow** in their vocations, bringing them together so that together they can take on the responsibility of being leaders in the Church, in the Movement, and in their respective secular environments." The school itself is meant to be one of spirituality, formation, and Christian community.

As paradoxical as this may seem, the Cursillo movement is born from a school and not the reverse. The school precedes the Cursillos, since it is within it that it was born, it is within it that it still gets its sustenance and it is from it that it expands. At all times, the school has been-and continues to be- the pillar essential for the continuity and development of the Cursillo Movement.

The SOL Chairperson with the approval of the Secretariat, plan the School of Leaders Yearly Schedule. We invite you to come to "school together" to build up a vibrant community capable of hosting Cursillo weekends to keep our movement growing. **We can not do it without you.**

If you are interested in serving our Lord and serving the Diocese of Austin English Cursillo Community, please come and join us for a Spirit filled year. Please mark your calendars for February 8th and 17, 2019 from 9am-11am at our Cursillo Center in Jarrell, TX.

We continue to pray for the Cursillo Movements in the world. We ask our Lord to continue to send the Holy Spirit to guide us to do HIS will.

Our Lady of Guadalupe, Patron of the Americas, **Pray for us.** St. Paul, Patron of Cursillo, **Pray for us.**
